

Pick Your Boundary app

This guide provides a straightforward walkthrough for using the Pick Your Boundary app, making it easy for users to define their farm business boundaries effectively. By following the steps, individuals can efficiently select and manage their geographic areas, ensuring accurate representation for their agricultural needs. It simplifies the process, allowing for quick adjustments and submissions, making it an essential resource for farmers looking to optimize their boundary selection.

1 Click here to enter your farm business name

The screenshot shows a web browser window with the URL `terrawise.shinyapps.io/r-leafletshiny/`. The app title is "Planfarm TerraWise Pick Your Boundary". The interface is divided into two main sections. On the left, there is a form with the following elements: a label "Enter your business name:" followed by a text input field with the placeholder "Business Name"; a label "Select your shire:" followed by a text input field; a blue button labeled "+ Add Selected Property to Table"; a red button labeled "Clear Selected Property(s)"; a red button labeled "Clear All Selections"; and an orange button labeled "Submit boundaries to TerraWise". On the right, there is a map of Australia showing the coastline and inland areas. The map has a dark blue ocean and a brownish-green landmass. A search icon (magnifying glass) is visible in the top left corner of the map area. The bottom right corner of the map area contains the text "Leaflet | Tiles © Esri — Source: Esri, I-C".

2 Choose you LGA (one or multiple)

Enter your business name:

Select your shire:

NORTHAMPTON

CRANBROOK

WANDERING

GREATER GERALDTON

CHAPMAN VALLEY

MURCHISON

MURRAY
